ECIS 2014 Workshops and Tutorial

Arrival instructions
All workshops and tutorial are held at the Recanati Business School Building, Faculty of management, at the beautiful campus of Tel Aviv University.

Transportation
There are numerous bus lines from all over Tel Aviv arriving the campus. A public bus ride from downtown Tel Aviv takes about 30 minutes and costs 5.60 ILS (1.60 EUR approx.) Bring Israeli cash with you! A taxi is a bit faster (~20 minutes) and costs approximately 50 ILS (10 EUR). Ask the driver to use a meter. More details may be found here: http://english.tau.ac.il/transport

Also note that if you are staying at (or near) the ECIS Hotel (David Intercontinental), there will be a complimentary bus leaving at 8am from the hotel lobby. There will also be a bus returning to the hotel at 5pm.

Tel Aviv University Campus
Tel Aviv University has 14 entrance gates. The closest gate to the Recanati building is the main gate (gate no. 7 called Frenkel gate), which is located at the T-junction of Levanon street and Einstein street. Entering from gate 7 you would see Recanati building to your right. However, you may enter the campus from either gate, and walk your way inside.
